It was a breeze starting at the beginning of ordering, the order process was seamless and product shipped to us with no hick-ups. We have used your product before to make all of our cable requirements organized and looking profefssional.
Thanks,

Remodeling an entire floor top to bottom (over 3500 sqft), and dropping over 160 voice and data cables, these cable trays were just what we needed. Sturdy design, fairly easy to install, would recommend to anyone embarking on a similar project.
